

>>>BLOOM TOWNSHIP BOARD OF TRUSTEES SPECIAL MEETING 07-22-05<<<

Joseph Smith, Chairperson called the meeting to order at Alspach Road, just east of Sitterley Road for inspection of a drainage issue that has been under review for several months. Members present were Smith, Larry Coyle, and David Petty. Also present were Tom Scholl, Road Superintendent; Anne Cyphert, Office Administrator; Rick Althaus, local excavator; and Kevin McCrady, of the Fairfield County Engineers Office. Two neighbors, James Beatle and Dan Bailey were present as well. Smith asked Cyphert to take the minutes for Carol Moore, Clerk, who was absent due to recuperating from an auto accident. Althaus and McCrady discussed sloping issues in the area. They recommended that to improve the drainage issue, the township should take the existing culvert out and replace it with a new culvert and an extension. The issue will be discussed further at the next regular meeting. Smith adjourned the meeting.
